The Dalmatian Ethno village in the very heart of Solaris Beach Resort is one of Solaris' most recognized brands, where the little stone houses take you into a completely different world, nowadays almost forgotten. In a surrounding inspired by true values, seeded deep inside the Dalmatian tradition, you will not only enjoy many original delicacies but also meet ancient traditions and the way of life of our ancestors. In the Solaris Dalmatian village, forget about the rushed pace of hectic city crowds and enjoy the precious moments of ancient times passed, with its special charms.

Enjoy the Dalmatian traditional delicacies prepared according to the recipes of our ancient ancestors:

- Warm home-made bread prepared under a traditional iron bell from our own bakery
- Home-made prosciutto and cheese
- Šibenik sword (meat, fish and vegetarian)
- Food from the barbecue and under the traditional iron bell
- Sea-food delicacies from the grill
